

WINTER SEMESTER 2016/17 EXCHANGE STUDENT GUIDE

ARRIVAL AND TRANSPORTATION

1. Pick up at Shanghai Pudong International Airport

For this winter semester 2016/17, we will offer the taxi driver to pick up at Shanghai Pudong International Airport. Normally the date to pick up is as followed.

Date: September 6, 7, 8, 2016

Time: 8:30—17:00 (All the pick up services are depend on the punctual flight arrivals without so much long long time delay or temporary landing at other airport.)

Place: Shanghai Pudong International Airport

Note:

If you are willing to have the picking up service on **September 6, 7, 8, 2016**, please give us the detailed information about flight number, terminal and exact arrival time by E-mail: lijingjing@tongji.edu.cn before **August 20, 2016**, and then others we will take you go to CDHAW by yourself.

From July 18, 2016, the summer holiday begin, so we will back to the office until **September 5, 2016**.

2. The two ways of transportation from Pudong Airport to CDHAW

① Call the taxi directly, cost about 300RMB.

② Take the metro line 2 (Shanghai Pudong International Airport) and get off at the Jiangsu Road Station, and then to take metro line 11 (Jiangsu Road Station) and get off at the Shanghai Automobile City Station, and then you have to call a taxi to the campus, because it costs a few time if you just from the Shanghai Automobile City Station to the campus on foot with the luggage.

The Shanghai Metro website is <http://service.shmetro.com/en/>

More tips about metro line

From **Pudong International Airport (浦东国际机场)** (line 2) to **Shanghai Automobile City (上海汽车城)** (metro line 11) or **An Ting (安亭)** (metro line 11).

- ◆ It takes about 3 hours and costs 10 RMB.
- ◆ Route of metro line 2 has two parts, the first part ends at Guanglan Road (广兰路) station. All the passengers have to get off there and take another metro line 2 (direction East Xujing 徐泾东) on next platform.
- ◆ Please transfer to line 11 from line 2 at Jiangsu Road station (江苏路).
- ◆ There are two end station of line 11 (direction north), North Jiading (嘉定北) and Huaqiao (花桥). Please make sure to take the Metro to Huaqiao (花桥), Shanghai Automobile City (上海汽车城) is the last fifth station and An Ting (安亭) is the last fourth station. There is only Chinese characters shown on the Metro, please take the one with two Chinese characters (花桥) instead of three (嘉定北).
- ◆ Please go out of Shanghai Automobile City station (上海汽车城) from Exit 1. Jiading Campus is still about 3.5km away. Find a "Taxi" to drive you to Tongji, which costs about 16 RMB. It is difficult there to find an official Taxi at the station, but a "black" one. There are lots of "black taxis" at the station.
- ◆ At An Ting Station (安亭) there are official Taxis at a shopping mall square nearby. Please go out of An Ting Station from Exit 4, through the shopping mall to the square. It costs about 20 RMB by taxi.

Note:

The Jiading Campus is a little bit far from the city center, so it will cost some time to take the metro line.
There are two campuses in Tongji University, Jiading Campus (remote area) and Siping Campus (city center).
CDHAW is mainly on Jiading Campus.

Note:

Please remember to ask about **when and where** to take the physical examination result paper, and normally it will take 5 working days.

For student with X1 visa, please take care of the note. Considering the X1 visa with 30 days valid after the entrance, and that means **you have to make the physical examination reservation online at first, and have to do with it during this time you are still in Germany.**

The Shanghai Entry-Exit Inspection and Quarantine Bureau has the fixed number every day, and you have to reserve online in advance. According to your arrival date, please reserve it at moment in case you couldn't exam it after you arrive in Shanghai.

Physical Examination should be without breakfast (check in the morning) or lunch (check in the afternoon).

Documents required as below,

① For Medical Examination please bring

- Medical Examination Fee 500RMB(2016 price)

3. Application of Residence Permit to Shanghai Exit-Entry Administration Bureau

① For student who hold **X1 visa** should get Residence Permits within 30 days since entry to China.

No excuse will be accepted for the delay of their application for the Residence Permit. Those who fail to get the Residence Permit within the prescribed time will be punished by Public Security Bureau.

② For student who hold **X2 visa** and will study for a period less than 150 days.

If you don't leave China to have international trips during the study period, physical examination and Residence Permits will not be necessary.

If you are to exit and reenter China after international trips during the 150-180-days period, physical examination and Residence Permits are to be required.

Note:

For student who with X2 visa, please take care of the note. If the valid days could totally cover the study period, and you also **don't plan the international trip** (including Hongkong, Taiwan, Macao), you may not do the physical examination and residence permit.

If you **do the residence permit for international trip with multiply entrances** during the study period, please take care the **expired date is not 150 days or 180 days as it has to be written on passport, and it will automatically change to the expired date on Tongji Admission Notice Letter.**

The deadline to change X2 to residence permit is on October 20, 2016, and after this date Tongji will not offer official interoduction letter (more details on page 5) any more.

- ◆ **Advantage:** Residence permit will be expired on January 31, 2015, X2 is valid for longer, 150 days after entry into China.
- ◆ **Disadvantage:** Residence permit allows multiple entries, but X2 visa only one entry, which means that you cannot leave Mainland China (the trip to Hongkong, Taiwan or Macao is not permitted as well), the visa expires after you leave Mainland China.

③ Documents needed for the Application of Resident Permit are as follows

- Application Form of Resident Permit to be provided by bureau
- Passport(Original and Copy version)
